

COMMENTS FROM COUPLES

Equally impressive is the enthusiasm of the couples for whom I have officiated. The quotes below are a sampling of comments from thank you notes I have received. They affirm my ability to customize each ceremony so that it is warm and upbeat celebration of the couple that becomes the highlight of the whole wedding event.

Just a quick note to thank you for the wonderful officiating you did at our wedding. The ceremony was beautiful and elegant, and our guests marveled over how warm and intimate it was. And we really had fun during the ceremony! We smiled and laughed and it was an incredible feeling to look out at our families and see them doing the same. You did a fantastic job of capturing who we are. We sincerely appreciate it."

I can't believe it's already been 6 months since our wedding. This is long overdue, but thank you so much for the sensational job you did officiating our wedding. You personalized our ceremony in a way I never thought possible. You're a true professional and passionate about your work. We must have received twenty compliments on your behalf."

"Just can't thank you enough for the wonderful wedding ceremony you performed for us. It was absolutely perfect. Your sense of humor really put me at ease when I was feeling so nervous! Thank you for personalizing the ceremony for us with your story about how we met, etc. We loved our wedding day and you played a most important part in it."

Maureen & George

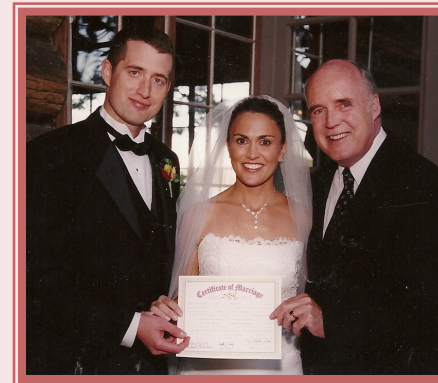

"We want to thank you again for everything you did to make our wedding day very special. The ceremony was warm, touching and so personalized! So many of our family and friends commented on the ceremony and how much they enjoyed it (the best they'd experienced, in fact). We thought so, too! Please feel free to use us as references who heartily support your ministry. Thanks for everything you did to make our special day very sacred and memorable."

"It takes a bit of a 'leap of faith' when one hires an officiant. Certainly with a reference like our wedding coordinator, Stephanie Solomon, it would be difficult to go wrong, but I never imagined it would be so perfect. We loved your style, your humor, your tenderness and joy. You are positive, energetic, and you have a wonderful presence. You put us and our guests at ease. Thank you for your wonderful work and for making our ceremony so beautiful and memorable."

Annie & Carter

"David and I just wanted to let you know how pleased we were with how the wedding went, and especially the ceremony. It turned out even better than we had imagined it. Your personal touches really made it special. We got compliments from everyone who attended. They described it as "elegant, but fun", which is just what we had hoped for. Our families were both touched and amused at the way you were able to incorporate our own personal

stories, but also maintain the sense of tradition and reverence. You've helped provide us a terrific beginning to our life

together and a wonderful memory for us to look back on throughout the coming years."

"Thank you so much for creating such a beautiful and memorable wedding ceremony for us. Many, many of our guests asked who you were and almost everyone commented it was THE BEST ceremony they had ever attended."
